Future Objectives

I am a student in 12th grade who aims to attend college as a Computer Science/Computer Engineering Major with a minor in Finance. My primary experience is in video game development and front-end applications, but am interested in learning how to develop back-end systems. I am also open to work in a completely new area. I am currently working a paid internship and applying to colleges in order to build foundational skills and open doors to innovative careers.

Education

Central High School - Saint Joseph, Missouri

- GPA: 4.0 (Unweighted), 4.57 (Weighted)
- ACT: 36 (Perfect)
- **Relevant Coursework:** AP Calculus BC, AP Computer Science A

Technical Skills

- **Programming Languages:** Java, Kotlin, C#, Python
- **Tools & Technologies** IntelliJ IDE, VSCode, Unity, Jupyter
